

Vinyl Wrap Template - Size: U.S. Letter

Should you need to reprint this template, an electronic PDF version is available on the K&N website via the following link: <http://www.knfilters.com/search/product.aspx?prod=54-5000>
Before printing be sure to choose the appropriate paper size (A4 or U.S. Letter) and print at 100% scale (not fit to page or any other scale). A physical measurement of the dimensions would be advised to ensure correct print scaling has been achieved.

Cut along the dashed line below and use this to line up each of the prints.
